

Born in the foothills of the Blue Ridge Mountains, Laurel Mountain Natural Spring Water is completely free of chemical additives, preservatives, flavorings, sweeteners, sodium and artificial gases.

For more than 20 years, local customers in the greater Chattanooga, Knoxville and Northwest Georgia areas have enjoyed the cool, refreshing taste of Laurel Mountain Natural Spring Water from our 5 gallon bottles and state of the art coolers.

Laurel Mountain Natural Spring Water is distributed by Chattanooga Coca-Cola Bottling Company and delivered under the same customer service guarantee. In addition, we also offer bi-weekly delivery, cooler cleaning and maintenance.

Laurel Mountain Natural Spring Water . . . the taste of a cool mountain morning and pure as the new day. It's a delicious, affordable and healthy alternative to chemically-treated tap water for your home or office.
